1. What are cookies?

Cookies are small text files that websites may store on the user's device when they visit them.

Cookies allow, among other functions, the technical operation of the website to be ensured, certain preferences to be remembered, and navigation to be facilitated.

2. What cookies does SAM MUNTANYA use?

The SAM MUNTANYA website currently mainly uses technical and functional cookies, which are necessary for the proper functioning of the website.

The checks currently carried out on the website have identified, among others, the following first-party cookies:

wordpress_test_cookie

Technical cookie used to check whether the user's browser allows the use of cookies.

wp_lang

Cookie related to the language settings of the website

These cookies have a technical or functional purpose and are not used to create advertising profiles of users.

3. Third-party services integrated into the website

The SAM MUNTANYA website incorporates certain third-party services and content, which may include:

- Google Reviews, to display reviews.
- Instagram, to display content from the social network.
- GTranslate, to facilitate the translation of the website content.

According to the checks currently carried out, these elements have not generated non-essential cookies during an ordinary visit to the website.

However, the operation of third-party services may change as a result of updates from their providers or to the plugins used on the website.

If cookies or tracking technologies requiring the user's consent are introduced in the future, SAM MUNTANYA will take the appropriate measures before their use, including, where necessary, a consent mechanism.

4. Management and disabling of cookies

The user can configure their browser to accept, reject or delete cookies.

Browser settings may vary depending on the browser used. Disabling certain technical or functional cookies may affect the proper functioning of some website features.
